The goal of this study is to better understand how people think about the economy.

All participating employees and scientists work in accordance with the provisions of the Data Protection Regulation, the Federal Data Protection Act and the relevant State Data Protection Acts.

Immediately after the collection, your data will be stored anonymized and then statistically analysed. No conclusions about your person can be drawn from these results. We work together with other partners, universities and laboratories for this study. These also only receive anonymized data, which do not allow any identification of your person. Even the laboratory or survey institute are no longer in a position to merge the survey data with your name after the execution of survey.

Your data will be stored on a server within the EU, which is not operated by briq. We have taken all necessary precautions with the operator of the server and concluded all necessary contracts, which are necessary in order to comply with data protection.

For this study, we collect "special categories of personal data", in particularly data revealing political opinions, which we use only for research purposes and solely with your consent.

You have the right to obtain information about the personal data stored about you (Art. 15 GDPR). Should incorrect data be processed, you have the right to rectification (Art. 16 GDPR). When the legal requirements are met, you have the right to request the deletion or restriction of the processing and submit an objection against the processing of your data (Art. 17, 18 and 21 GDPR).

You can also contact our external data protection officer: Mr. Marco Schröder, 2B Advice GmbH, Joseph-Schumpeter-Allee 25, 53227 Bonn, Germany, e-mail: brig@2b-advice.com.

Campaign Intro

In the following, we will provide you with information about two UK campaign groups in random order - one lobbying for and one lobbying against having a second referendum.

Donation Pro

Donation Decision Supporting a Second Referendum

The **People's Vote** campaign is lobbying politicians and candidates from all parties to support a second referendum. To finance their operations they rely on donations from the public.

If you want to, **we will donate one pound to the People's Vote campaign on your behalf**. Your decision has financial consequences for the People's Vote campaign, but not for you personally. We will randomly pick one in three participants and implement their decision.

You can choose whether you want your contribution to be anonymous or whether we publish your name and city with your donation. We created a website with all public donors which you can see here:

<http://support.2ndbrexitref.org>

We will advertise this website widely on social media.

Do you want us to donate one pound to the People's Vote campaign on your behalf?

- ☐ Yes, with my name and city made public
- ☐ Yes, anonymously
- ☐ No
